# Celebrating 10 years in Business

## Visa Assistance, Immigration and International Education Consultants

**W**e, Beverley International Group take pride to announce and mark ten long years of anniversary in completing our service to more than one thousand students who have migrated to New Zealand up to now. In fact Beverley International Group was established by its founder Mr. Upul Herath, Chairman and Managing Director in the year 2007 in Marawila, Sri Lanka and thereafter moved the office to Liberty Plaza Complex in Colpetty, Colombo 03, Sri Lanka where we are functioning now.

Moreover, needless to mention that Mrs. Gisela Combrinck (Herath) is the longest fully licensed Immigration Adviser serving our clients since licensing started in the year 2009.

It is our fervent hope that we will strive hard and continue to maintain our service that we are presently rendering to our students for many more years to come and see that the "Beverley International" flag flies high as usual.

These students having found greener pastures in taking up various study programmes in many world renowned Universities, Colleges and Institutions and to mention a few, the students are eligible to take up programmes such as Business Management, Business Administration, Information Technology, Accounting, Hospitality Management, Cookery etc. etc. Subsequently the students can obtain work visas and eventually move onto permanent status. We have to mention that the students' spouses have got the unique privilege of getting lucrative employment opportunities and subsequently going to the extent of obtaining permanent

It is with great pleasure that we announce that with a view to providing a better and efficient service to the students who are already in New Zealand, we are proud to state our setting up of a permanent base in Auckland, New Zealand in order to ensure the students who are already there receive whatever hassle free assistance required on the spot without referring to the Beverley Office in Colombo, Sri Lanka whenever necessity arises so that they will be in a position to resolve their problems or issues without undue delay.
